

Number	Their Caption	Des. Reps	Purpose
			Reduce taxes - first to 4.35% then to 4.2%
			Contains Section 3 which was not codified, but called for the tax reductions to come only from DPA and Department of Revenue.
20	Income Tax Rate	Michael Fields Suzanne Taheri	The Board objected to the construction of this Section 3. Reduce tax to 4.2%. Board noted that no tax was allowed after 2028. The initiative included the language "but before January 1, 2028" which would have established no income tax after Jan 1, 2028. This initiative also included a Section 3 which was designed to protect Education and HCPF. The Board objected similarly to #21 because this requirement was not inserted into statute.
21	Income Tax Rate	Michael Fields Suzanne Taheri	This is an income tax reduction to 4.39%. It contains no other provisions for how the cuts should affect the state budget.
47	Income Tax Rate	Michael Fields Suzanne Taheri	Tax reduction to 3.4%. It contains no other provision for how the tax cuts should affect the state budget.
48	Income Tax Rate	Michael Fields Suzanne Taheri	The Title Board worked for quite some time to craft title on this. We withdrew because the title setting process was so convoluted.
64	Income Tax Rate	Michael Fields Suzanne Taheri	Tax reduction to 4.2% with protections for Department of Education and HCPF.
65	Income Tax Rate	Michael Fields Suzanne Taheri	
119	State Tax on Tips and Overtime Pay	Michael Fields Suzanne Taheri	Exempts tips and overtime from state taxes
124	Tax Expansions	Steven Ward Michael Fields	Adds "Tax Expansions" to definitions in TABOR. Inserts "tax expansion" into list of required elections in TABOR.
137	Voter Approval for Tax Expansion	Suzanne Taheri Michael Fields Suzanne Taheri	Based on 124, removes "A tax incorrectly categorized as a fee;" Inserts "or partial removal"; "exclusion" and "deduction" to definitions of tax expansion. Adds "that has a net effect of raising an individual tax burden" to the required elections section of TABOR.
156	Income Tax Rate Reduction	Michael Fields	Duplicate of #48
157	Reduce Income Tax Rate and Department of Revenue Funding	Suzanne Taheri Michael Fields	Drops income tax to 4.38% with reduction in revenue coming from the Department of Revenue.
159	Voter Approval for Tax Expansion	Suzanne Taheri Michael Fields	Similar to #137, but: 1) Adds carry over loss to definition of tax expansion 2) Specifies that an election is required for tax expansion regardless of the size as long as it has a net effect of raising the tax burden for any taxpayer.
160	Voter Approval for Tax Expansion	Suzanne Taheri Michael Fields	Based on #124; Adds removal of a credit to definition of tax expansion; includes effect to all taxpayers, not just individual taxpayers for trigger of voter approval.
214	Income Tax Rate Cap	Suzanne Taheri Michael Fields	New initiative. Makes a declaration of the People that state income taxes should be capped at 4.4%.
232	Concerning an Income Tax Rate Cap	Suzanne Taheri Michael Fields	Based on #214, but makes a statute capping the tax rate for individual taxpayers at 4.4%
233	Concerning an Income Tax Rate Cap	Suzanne Taheri Michael Fields	As #232, but Constitutional
